General Information Four medallions, replicas of those in the Indiana Limestone Building, Bedford, Indiana, with addition of an outside band of an inch or so to fit into their leaded work. See blue print and tracing. Bands to be of glass of a texture not too pronounced, and possibly in whites and golds. Background of medallions red, border blue, and figures in blue with touches of cool and warm whites throughout the medallions.

For addresses of those to be notified as window progresses, see other side.
