General Information Four windows in Crush Hall on the second floor adjoining

the Chapel of North Woodward M. E. Church. Subject The four principal

Archangels, "Michael, Raphael, Uriel and Gabriel"

These windows light the whole corridor or hall which is twenty feet wide

and one hundred twenty feet long, so that the background ought to be

quite light. These must not be too light, but they must not be dark

enough to shut out the light.

For addresses of those to be notified as window progresses, see other side.
