Position in Church Chancel - back of the altar.

Height from floor about 14'. Protec- ~~XG2024~~ 3/8" ~~XG2024~~
tion Glass Rabbet Wood

Points of compass The window will receive a very poor light, and the plan is to
Quality of light light it artificially. Mr. Somers claims he has a good man for this
purpose, and promised to ask him to get in touch with us.

General Information The opening is a circle six feet in diameter, ~~xx~~

They will furnish the wooden frame and the iron armature.

Either plain rectangles or an arrangement more like the rose window in
Trinity College Chapel. They like the idea of symbols of the Four
Evangelists and the Lamb of God in combination with very simple
grisaille.

We are to make a sketch suggestion for the window, direct the work, and
have it done in another studio (Aughtie's).
