General Information The Saint Catherine Window.
This big window is to have a motif of white roses for ornament. Windows
are east (right) and west (left). The right is to be devoted to Saint
Agnes: left, to Saint Catherine. Design is to be developed in
medallions and single figures. Two figures of each saint in characteristic
types. Rich color schemes with spots of white. All the windows, but
especially the big windows, are to be in full color with spots of white.
See #1343 - The Saint Agnes Window.

For addresses of those to be notified as window progresses, see other side.
