General Information Wants color, quality, and general tone, of glass in Trinity Cell
Altar is renaissance. Church proper conventional Italian, slightly Norman.
Subject, on one side, The Blessed Virgin Mary, - on the other, Saint John
the Evangelist to suggest the Church of Saint Matthew as the choice of
the Blessed Virgin for the sanctuary of the precious picture between the
Church of Saint Mary Major and the Church of Saint John Lateran.
A medallion in the base of each window taken from two incidents from the
history of the picture - One - the story of the Miracle at Sea, and the

For addresses of those to be notified as window progresses, see other side.

other - The Appearance of the Blessed Virgin to the child, when the preference was made known.
