General Information This room is to be a Chapel (Wesley Chapel)
There will be no double glass - The colour can be
quite dark for there are more openings than necessary -
Make colourings soft and rich - Ceiling is low - with
fumed oak ribs or trusses and panels of plaster, all
decorated - Walls old mottled gray - Cise floors variegated
slate and tile inserts - Deep taupe rugs - Seats and
benches fumed oak

For addresses of those to be notified as window progresses, see other side.
