Received  
Bill to..... Templets  
Photos of Cartoons Mailed  
General Information Small three-light window. - one of three windows on North  
Aisle, one of which is filled with stained glass (Virgin and Child in  
center, Saint Anne and Saint Elizabeth in the sides,) of rather a golden  
hue. Suggests that this window harmonize to a certain extent. Mr. Goodhue  
made chancel window last year.

For addresses of those to be notified as window progresses, see other side.
