General Information Under the balconies there are only two small shields, and two larger ones to be done. The two larger ones are to be Saint Philip and Saint Bartholomew. ~~We can proceed with material for these. We will send us the names for the two small ones.~~ The smaller ones are to be St. Agatha and Saint Mary of Cleophas (or James).

According to our letter of July eleventh, 1930, these four might be done for anywhere from \$195.00 up. The four should not cost more than \$225.00. The four can be done together, and no particular time limit.

(Note: Mr. Hansen should be reminded about fixing the bulge there.)
