General Information Wants her window to be a little jewel, and likes the recently placed in the Westminster Presbyterian Church, Wilmington, Del. One lancet to be a memorial to her husband, John B. Bird, and the other to his father & Mother, Charles Moody and Leah J. Bird? The subject is to be, "I was an hungered".etc. in medallions.

Floor plan on other side. Present windows on either side probably will be moved into the transept.

We will have to plan to have 1 1/2" moulding added to outside of window & support ventilator and protection glass. Take this up with authorities. Decide which way we ought to set prism glass.
For addresses of those to be notified as window progresses, see other side.
