Plain grisaille like #1636 - no figures.

For addresses of those to be notified as window progresses, see other side.

"Father Quinn is much opposed to anything archaic or any standard often-repeated symbols. He doesn't like to see Fleur-de-lys. He referred especially to the ones in the Saint Paul half-circle window which was on exhibition, and he didn't care for the Virgin in that window, - her position and proportions. He very much liked the Martha in the Centerport window. Wants modern things for modern people, - American faces, etc."
