General Information Repair. Replace broken painted piece in main church window.

Take measurements of the broken protection glass over it and of the broken piece in the window beside the sacristy door. Get the glass from the American Glass Co., 61 Cohasset St. (Tel: Taunton 342). They have it in stock - double thick window glass. They are located in the center of town, right behind the post office. They will cut the glass to size and then we can install it.

1 light 20 x 46

1 " 20 x 40.

Sacristy 18" x 44".

See G.E.S.'s notes about repair piece with correspondence.

For addresses of those to be notified as window progresses, see other side.
