General Information See general information on Sheet #2355.

The present window is the Sacred Heart window, and represents the Apparition
of Our Lord to Saint Margaret Mary Alacoque.

Complete description in file

**C.J.C.'s New York Report after seeing the first two windows in place:
the blue backgrounds in the second window are on the delicate side. More
strong blues will not be amiss in the other windows. The Waint Augustine
window is better.**

For addresses of those to be notified as window progresses, see other side.
