The angelic choir is indicated, carrying symbols of the Passion and Resurrection. The lower two have the crown of thorns and the nails. Those at the sides - the scourges, spear and sponge, and at the top - the belican feeding its young, - symbol of sacrifice and the phoenix rising from the flames, - traditional symbol of the Resurrection. At the center is the sacred monogram of I.H.S. with emanating rays of light. Smaller tracery members are enriched with stars of heavenly steadfastness and flames of divine zeal.
