General Information Center panel, Saint James, Apostle; side panels, Dorcas,  
the woman of good works and almsdeeds; and Eunice, who taught her  
son Timothy.

They want the window to be light and colorful - similar to the Paddock  
window. They need light in the church.

See photographs of windows in place.

For addresses of those to be notified as window progresses, see other side.

"As planned, the central panel is devoted to St. James the Apostle. He is robed in the pilgrim's cloak and wears the characteristic hat inscribed with the traditional shell. He carries the pilgrim's staff and gourd.

At his right is Dorcas, the woman of good works and almsdeeds, holding one of the small garments that she made. Opposite is Eunice with the Holy Book from which she instructed her son, Timothy. The window is designed to be light and colorful in tone, to harmonize with the Paddock memorial. "
