Two Panels at the Right in the South Transept All Souls Church, Bangor

The windows at the right symbolize the Healing of the Man at the Pool of Bethesda and the Feeding of the Five Thousand.

In the first panel, Our Lord stands beside the Pool over which the angel hovers while He blesses the impotent man, "Jesus saith unto him, Rise, take up thy bed, and walk." (Saint John 5:8).

In the final medallion, He stands before the multitude to be fed, "He blessed, and brake, and gave the loaves to his disciples." (Saint Matthew 14:19).

The field is patterned and enriched with growing vine forms outlining medallions and flowering in the fleur-delis of purity. Spaces across the base have been designed for a memorial inscription.

The color scheme has been interchanged in the side penels giving added interest and variety to the entire group. The blue fields of the medallions alternate with ruby and the blue appears again as the background of the central portion of the foliated pattern.

Two Panels at the Left in the South Transept of All Souls Church, Bangor

The pair of windows at the left are devoted to Miracles related to Our Lord's power over Nature - the Miraculous Draught of Fishes and Stilling the Storm.

In the first, Our Lord is symbolized in the boat with James and John, the sons of Zebedee, as He speaks to Simon, "Jesus said unto Simon, Fear not; from henceforth thou shalt catch men." (Saint Luke 5:10)

In the second, Our Lord stands in the boat, gesturing to the waves as He says to the disciples, "Why are ye fearful, O ye of little faith." (Saint Matthew 8:26).

The field is patterned and enriched with growing vine forms outlining medallions and flowering in the flour-de-lis of purity. Spaces across the base have been designed for a memorial inscription.

The color scheme has been interchanged in the side panels giving added interest and variety to the entire group. The blue fields of the medallions alternate with ruby end the blue appears again as the background of the central portion of the foliated pattern.
