direction.

General Information

Represent two Old Testament children: the shepherd boy David, "sweet singer  
of Israel", and the young Samuel at the time of his dedication to God.

The face of the wood frame unscrews to the groove, so that face can be  
removed, and the window set in bodily. They have double glazing with fine-  
ribbed protection glass now installed.

For addresses of those to be notified as window progresses, see other side.
