General Information Subject medallion on grisaille background. No titles to be
under the medallions. The medallion "is to be in best stained glass.
General background of grisaille, as your artistic judgment and taste
would suggest, in either geometric designs or flowery background.
See list of subjects - Bible verses are tentative. Note that there are
5 too-many subjects.

For addresses of those to be notified as window progresses, see other side.

*Said we do not
mean to do in
competition*
