General Information Make sketch for typical window - the Annunciation and the Nativity. This to be of the type of Saint John's Church, Newtonville.

~~The windows to follow will probably be The Presentation in the Temple, when the Christ Child was blessed by the ancient Simeon, together with the Flight into Egypt; and, in the last group, Christ's Childhood at Nazareth, in the Carpenter Shop with His Father, while Mary spins nearby, and Christ in the Temple, where His parents found Him in Profound discussion with the doctors.~~

This chapel is a memorial to a child, and is to be known as Bethlehem Chapel. Donor has preference for blue. The chapel will have a white

stone altar on a stone floor with a dusty blue dossal curtain with

For addresses of those to be notified as window progresses, see other side.
