General Information These windows have 1" horizontal bars in the protection glass half way in the space above the vents.

All Phillips sizes are full - 1/2" stops.
QUITE SIMPLE FIELDS, COLORFUL BORDERS.
To have the Diocesan Seal in one; and the Pope's Coat of Arms in the other.
All windows get good light. . They are in positions where light and brilliance is essential.

Floor plan on sheet #3573
See color copy of the Diocesan Coat of Arms, which Father Dillon sent.
with sketch

One color sketch is typical of the narthex windows. Here we have indicated the Diocesan arms; and the other will be in similar character, but featuring the familiar Papal arms.
