General Information "Christ Blessing Children, with Christ and the Children on one side, and a mother with children on the other."

...are the color sketch for
your small Baptistery windows, and are sending it
to you herewith.

As planned, it is devoted to the theme of Christ
Blessing little Children. At one side He holds a
small child in His arms, while others come to Him.

In the balancing panel, a mother brings other
children for His blessing.

Below are traditional symbols of Baptism, - the
font and the shell.
