 General Information Evangelist
Saint Matthew and Saint Mary of Bethany.
Counterchange the color with the window next to it - the first one we made
for Mrs. Bean.
Keep in mind counter-change of color. See photograph of window in place.

For addresses of those to be notified as window progresses, see other side.

West aisle window, next to Mrs. Bean's present window, and nearest the entrance. It is devoted to Saint Matthew and Saint Mary of Bethany.

Saint Matthew is represented with his traditional symbols, the purse, as collector of customs, and the halbert, *2*, the instrument of his martyrdom. Saint Mary of Bethany bears the jar of precious ointment.

Red fields and predominantly blue figures, although accents of green and gold occur in both to maintain a lovely balance and full palette of color, counter-changed with Mrs. Bean's two memorials so that the entire effect will be rich and varied.
