General Information The two side chancel windows to be Matthew and Mark. Do not have Evangelist symbols, but have Apostolic symbols. The two small openings in the front to be enriched in a lovely but simple manner to harmonize with the others.

The two opposite ones are devoted to Luke and John, made by Cummings.

Side chancel wooden frame sent here for installation of the glass.

also 2 ^{very} small ~~in~~ ⁱⁿ side - to be set in line
of chancel windows in place
