General Information *There is a small circular window in Sullivan's outer office. It is divided by 4 muntins - two horizontal and 2 vertical, leaving a space 10 7/8" wide by 10 3/4" high, full, where we are to make a little colorful medallion for him.

The surrounding glass is a very pale bluish-white, pebbled.

Adapt the Youngstown Draftsman medallion to this, using the wording from the Douay Bible - "Lord, direct thou the work of our hands" (Psalm 89:17)
