General Information The Baptism of Our Lord by Saint John the Baptist - the enriched panel set in surrounding, existing glass.

IMPORTANT: The last window we installed, ~~THEYREALLY WINDOW~~ Jesus in Temple - is the one they like best. "because of the beautiful blue in the background, and we hope that this can be simulated in future windows." BE SURE TO MAKE THIS WINDOW AS LOVELY, AND KEEP IN MIND THE COMMENTS ABOUT THE BLUE. This window goes next to the Jesus in the Temple window.
IMPORTANT. THIS SKETCH IS OUT OF THEIR MEMORIAL BOOK. PRESERVE IT CAREFULLY AND RETURN WHEN WINDOW IS FINISHED.
