

No 3627

Place.....Essex Falls, N.J.

Building.....S. Peter's Episcopal Church. Date of Completion.....

Breed @ 35.00

Persons Interested.....

Minister.....The Rev. Harold R. Onderdonk, D.D. Denomination.....Episcopal.

Architect.....

Vents.....

Position in Church.....Chancel.

Height from floor..... Protection Glass..... Groove Rabbet..... Metal Stone Wood.....

Exposure..... Footage.....

Inscription.....

Design wanted..... Staging.....

Templates..... Blueprints.....

General Information..... We are to make some changes in the chancel window, removing some inscription panels and replacing it with ornamental pattern. O.E.S. took some rough rubbings.

They would like us to plan to inspect and take care of the windows continually, - every five years or so, and one of our men could go there when he is working nearby. 5/15/54.
