General Information Keep light and airy and delicate.

Symbol of Sacred Monogram of Blessed Virgin, Crowned, in center; with the fleur-de-lys at the left, and the rose at the right.

THEY DECIDED TO ELIMINATE THIS WINDOW.

Following Father Considine's suggestion for symbols of the Blessed Mother and the Sacraments, we have devoted the transom over the door to the Blessed Virgin, representing her traditional crowned monogram at the center, with her fleur-de-lys and rose symbols at either side.
