 Drawings for the figures of the 12 Apostles, for incised carving*
 General Information Price - \$720 for 12 figures (\$60 each); \$600 to Harald
 Nichelsen (\$50 each). (See other side for additional)

There will also be quite a lot of symbols for side altars, and
 Brother Cajetan will send us the information about those; he will
 also come up again to see the drawings when Harald has them well along.

The plan is to have them sort of fade out at the bottom, without feet, -
 and each of the twelve is to have his symbols, and all are to be
 looking toward the altar.

 Hungary, etc. (St. Paschal was a Franciscan Brother, and lived in Spain

 Heart, Saint Anne, Mother of the Blessed Virgin Mary, and Louis of France. Also
 Also additional drawing - symbol - Our Lady of Sorrows - to be carved
 in a marble pedestal.
