General Information ~~Saint Francis of Assisi.~~
Saint James Major.

We are to substitute Saint James Major for Saint Francis of Assisi. To have the red border and blue medallion. They want the head in the clerestory of Saint John's Church, St. Paul, and the figure of the St. James in Riverside, California.

j

and one to Saint Francis of Assisi with his friends,
the birds.

The other sketch is devoted to the Apostle, Saint James Major robed as a pilgrim, carrying the crossed staff and pilgrim's satchel, with his distinctive hat inscribed with the shell of Baptism according to the traditional custom. Of course this is very roughly presented in the sketch, but we are keeping in mind your liking for the figure of Saint James in a window we made for a Church in Riverside, California, with the face similar to that in a window in Saint John's Church, Saint Paul, Minnesota.
