General Information This window is devoted to the Parables of the Goodly Pearl (Matthew 13:45) and the Lost Sheep (Matthew 18:12), with the Tares and the Wheat (Matthew 13:24) in the tracery circle.

See photographs of the three center windows in place.

In 1953, Dr. Schloerb wrote: "everyone is agreed that they like the warmer colors of the left-hand proposal for the rose window. Among suggestions was one that they felt would like more jeweled colors or more radiant colors than appear in the sketch. Probably the glass will be heightened in its color effect than appears in opaque paint."
