Blueprints.....

General Information This first north window is devoted to Our Lord as Teacher and Preacher, with the Sermon on the Mount as the dominant central theme. Our Lord is surrounded by eager listeners as He expounds the way of true Christian life. The Ten Commandments suggest His comparison of the Old and New Law. "I am not come to destroy but to fulfill." The text reads: "He taught them as one having authority" (Saint Matthew 7:29). Eight stars through the blue field symbolize the Beatitudes.

Above are symbols of three great parables with which Our Lord illustrated His teaching, - the Good Samaritan, the Sower, and the Prodigal Son.

Another incident in Our Lord's teaching ministry is represented below as He taught from the ship at the seaside. It was here that he gave the Parable of the Sower, symbolized at the top.
