General Information To be devoted to Our Holy Father Pope John XXIII.

Monsignor Castel would like the Present Pope, but he has another idea of including in some manner the Archbishop, - Rummel, either in a little portrait bust at the bottom, or in some manner. The Pope should be holding a scroll. They had in mind some famous edict that the present Pope has made, and they want to associate this Archbishop Rummel with him. He has built so many churches and done so much. We suggested a little kneeling figure at the feet of the Pope, but we have to be careful not to give him a secondary minor position, so possibly if we could have him in some manner at the base, work on this idea. They can send us a better picture when we need it.
