Design wanted

Staging

Aluminum frame installed by the Key Construction Company.

Templates Actual frame sent here for measurements.

Blueprints

Installed by Red Dot Glass Company.

General Information Welcoming Christ, symbols of Beatitudes, Four Evangelists, etc. Angel of Prayer, Symbols of The Trinity, and Lighted Candles.

We have sent a diagram to Mr. Eberhard, of the sort of frame we will need to support the glass. This includes the two vertical and two horizontal members that he shows in his small scale drawing, plus two additional verticals and three horizontals. See letter of December 19, 1958.

We also sent three small samples of glass that we think might be used for temporary glass. 12/19/58.

FRAME IS HERE.
