General Information The Baptism of Our Lord.

"Mr. Souter saw and liked this design. He felt that the light brilliant effect is good for that position..."

*Make design for 2 panels - symbols  
awriter reply to letter of  
9/13/60*

To be beautifully but simply designed in the two panels to symbolize the Baptism of Our Lord by Saint John the Baptist with Christ in one panel, and Saint John in the other - similar to St. Francis Xavier's Church, Spokane.
