Blueprints

General Information

They have a lot of windows, some of which look like Tiffany, and others imitations of Tiffany. See Polaroid pictures of 3 windows in place sent by Mr. Brown.

To be devoted to Martha and Mary. Old Martha and Mary, made by Haskins, to be discarded.

Plan on removal of horizontal divisions and omit vents.

These vestibule windows can be stronger color than the nave.

At the left, Mary holds the book of devotion, while
Martha at the right bears symbols of her household duties.

We have in mind a brilliant and colorful palette
that will illuminate the vestibule to good purpose.
