General Information Two panels of glass, one for Reverend Robert H. Dunn - to be 11 7/8" x 13 3/8"; and the one for Reverend W.C. Hodgins of Newent in Gloucestershire, England to be 4 1/4" x 5 3/4" - both overall size. Same design to be used in both panes - to have crossed flags of Saint George (for the Church of England), and our official American Church flag.)

Both to be paid for by Dr. Dunn.

The Portsmouth panel was shipped by Greyhound Bus - delivered to Baggage Department of the Greyhound Bus Terminal, 10 St. James Avenue, Boston - and it will be delivered to the Greyhound Bus Terminal - Jarvis Travel Service, 5 Congress Street, Portsmouth, where Dr. Dunn will pick it up. Takes about 2 hours.

The panel for England addressed to The Reverend W. Charles Hodgins, The Rectory, Newent, Gloucestershire, England - sent by parcel post, and marked from Dr. Dunn, and as an unsolicited gift, so that there will probably be no duty.
