Templates Blueprints

General Information We are to alter the two windows that were removed from the side chancel, to be placed in the vestibule windows. The Old windows are here - brought back by Ralph Lloyd.

We are to send them a template of the windows, and they will have new wooden frames made in which to place this glass.

We will eliminate the outer border on the upper sections to line up with the ventilator sections.

The will have no vents in these.

New sash are here.
