General Information

"The Good Samaritan" "The Prodigal Son"

(In predella below)

In this rough sketch we have suggested the Parable of the Good Samaritan as the dominant theme. The compassionate traveler, who is the symbol of Our Lord, comes to the aid of the unfortunate man who has fallen among thieves. The Priest and the Levite pass above.

The Parable of the Prodigal Son is suggested in the predellas below. The repentant youth kneels before his forgiving Father. The fatted calf is near at hand.
