Saint Mark holds the scroll inscribed with the familiar "Pax Tibi" in reference to the words attributed to the Saviour on his visit to the martyr in prison before his death. Above is his evangelistic symbol, the winged Lion. Below he acts as scribe for Saint Peter.

The text below, from Saint Mark, is - "Go ye into all the world and preach the Gospel to every creature."

Saint Matthew bears the halberd, symbol of his martyrdom, with the evangelistic winged man above. Below, Our Lord calls him from the receipt of customs.

The suggested text reads, - "Our Father which art in Heaven hallowed be thy name", - from the sixth Chapter of Saint Matthew's Gospel.

This window is designed in the alternate color arrangement with blue and ruby borders and fields transposed for added interest.
