General Information Small figures or symbols, perhaps Apostles, or Prophets or later saints, symbols of S. Stephen or the Diocesan symbol -- ?

There are ~~all~~ small windows in a row, high on each side of the chancel, each about 12 inches wide by 18 inches high. Slightly pointed top. #49

Also 12 clerestory dormer windows in pairs each side of the church, 18 or 20 inches wide by 54 to 60 inches high, slightly pointed tops, in wood sash. Inch wood muntins to be removed. #20

He would like small figures, or symbols, in the chancel windows; and simple colorful fields with emphasis on blue through the clerestory, probably accented with symbols, or possibly figures.

Discussed the Apostles, Prophets, later saints. Perhaps symbols of Saint Stephen and the Diocesan symbol.

They have some needle point covers with Diocesan symbols and Saint Stephen's, dalmatic, and three stones.
