General Information Gospel side - New Testament, Life of Our Lord. ?  
Epistle side - Old Testament.

A pattern of varying medallion shapes, perhaps alternating broken ovals and diamonds.

*See suggestions in letter of 2/7/64*

Window on Gospel side has good clear light, bright window. The one on the Epistle side is now very dark on account of the house very close, but they had hoped to buy this house and tear it down.

In design, make use of the present bars and vents.
