General Information To have blue field, somewhat lighter than the window above, but field similar to it to bring down the color to line up with the other windows on that side. A simple symbol in each one, perhaps representing the Old and New Testaments. Noah's Ark and Peter's Barque, rather small.

We are sending our rough suggestions  
for the goalights under the short window.

The blue field will harmonize well  
with the window above.

We have symbolized the Old and New  
Testaments through Noah's Ark and the Barque  
of Peter (the Ship of the Church with the cross  
inscribed on the sail).
