General Information .....  
"Saints Mary and Martha of Bethany"

Our text is taken from the story told by St. John, Chap. 12 verse 2,  
and by St. Luke, Chap. 10 verses thirty-eight and thirty-nine.

We have planned to represent Mary in predominantly purple tones and Martha in violet. These are very difficult colors to represent in the opaque medium and in small scale. Actually they will be very much like some of the tones of the side figures in your chancel window.
