General Information James and John

Saint John has the traditional chalice and serpent recalling the legend of the poisoned cup from which he drank unharmed.

Below is his Eagle symbol.

Saint James Major

Saint James Major holds the book and pilgrim's staff and satchel. His characteristic hat bears the scallop shell symbol which are repeated below.

Please watch closely the contrast of the Carter window with the previously installed Salmon window, since the Carters want their window in the subdued hues, as the cartoon shows.
