General Information.....

The Nativity.

The Nativity, with the Blessed Virgin Mary, the Christ Child in the manger; and Joseph standing near. As in the chancel window, smaller related incidents can be included, such as the ox and ass that are traditionally said to have worshipped the Child, one of the Kings holding his gift, a shepherd and his lamb, and an Angel announcing the joyful news to the Shepherds.

Stars and flowers enrich the field, as in the chancel window. They would actually be in somewhat smaller scale and more delicate treatment.
