Saint James carries the pilgrim's staff and gourd, and holds the satchel or pure that is also identified with his travels.

The thunder bolt recalls Our Lord's reference to him and his brother, John, as the "Sons of Thunder". The ship and water symbols are related to his calling, as well as the Anchor Cross above, symbol of Faith and Hope. The shells enrich the ruby border.

Please note:

Sketches to be returned to Father Rogers, when the studio is finished with them.
