General Information "Peace be Still"

Gospel of Saint Mark. Chapter 4 Verse 39.

The passage from the fourth Chapter of Saint Mark's Gospel is a most significant theme. Our Lord stands in the boat (taking artistic and symbolic license in scale) as He stills the storm. We have suggested in the dashing waves and spray with an indication of quiet water, - the wavy lines at the immediate prow of the boat. I am confident this will work out beautifully in the actual glass.

I think the medallion treatment is a good solution both for scale and the admission of some light areas to adequately illuminate the corridor.
